

Everest & Jennings introduces the latest in a long tradition of quality wheelchairs. The Traveler HTC provides the ideal solution to the hospital/clinical transport need by incorporating special attendant and inventory control features with a heavy duty frame designed to support up to 500 lb users.

The Traveler HTC comes with an attendant push handle and rear mounted wheel locks that offer easier transport for the caregiver. In addition, the full width push handle acts as an anti-fold bar. Inventory controls are further enhanced by incorporating fixed desk arms, anti-tippers, an anti-theft post, as well as anti-theft nuts on the front rigging as standard features. Other features include double cross braces, heavy-duty 5/8" diameter axles, and a long lasting, embossed back and seat upholstery with a double inner liner for durability.

Available in 20", 22" and 24" seat widths, with 18" seat depth (1" longer than standard). Meets Medicare K0007 specifications.

The Traveler HTC is manufactured with the same commitment to quality Everest & Jennings is known for.
