# Flex-A-Bed Product Guide

**FLEX-A-BED®**  
*The adjustable bed specialists.*

## Rest Assured, Your Bed for Life Is Made in LaFayette, Georgia

Flex-A-Bed is the answer to the perfect night's sleep.

Each and every Flex-A-Bed frame and mattress is hand-built to your specifications by expert Georgia craftsmen, using the same principles of care and consideration we've built our reputation on since 1969.

The facts show that our nation is addicted to imports. In 1960, foreign goods made up just eight percent of Americans' purchases. Today, nearly 60 percent of everything we buy is made overseas. But there are thousands of affordable, high quality products — like Flex-A-Bed — that are manufactured right here in the United States.

*See the difference. Then sleep on it.*

## Flex-A-Bed Premier

The Flex-A-Bed Premier sets the standard for comfort and convenience in an adjustable bed. Every amenity Flex-A-Bed offers can be added to the Premier model. This fully customizable bed can be designed and built in hundreds of configurations to fulfill your specific needs.

As the day winds down, relax in your new Flex-A-Bed Premier with a good book or your favorite movie. Either way, put up your feet and enjoy the contentment that comes from a day well spent.

A luxurious sleep is only moments away with Flex-A-Bed's dual timed massage featuring soothing, whisper quiet wave and pulse technology at your back and legs.

*With the Flex-A-Bed Premier, a good night's sleep lasts all day long.*

Every Premier comes with

- a lifetime, limited warranty.
- your choice of one-touch wireless or wired remote.
- whisper-quiet Linak<sup>®</sup> motors with optional, dual timed massage.
- an 8 inch foundation profile, high-density, heavy duty padded base made with Advantech<sup>®</sup> material that will not warp, break or squeak. If you plan to add side rails, the Premier must be ordered with a 4 inch foundation profile.
- a mattress retainer cover for the foot of the bed.
- locking casters to prevent unwanted bed movement.
- the ability to attach to existing headboards.
- a Premier mattress featuring a beautiful knit fabric quilt panel with a tack and jump pattern and a suede border with designer taped edges. It is thicker and more luxurious than ever before. Choose from soft, medium or firm construction.

Mattresses are also available in low profile, memory foam\*, gel memory foam\*, latex\* or combination innerspring/memory foam\*.

\*Additional charges apply.

The Flex-A-Bed Premier is available in twin, full, queen, dual queen, king, dual king, and California king in 74, 80 and 84 inch lengths.

The height of the Flex-A-Bed Premier comes standard at 23 inches and can be lowered to 21 inches by removing the casters. The height of each bed can also be raised in 1 inch increments from 2 to 7 inches with optional leg extensions.

# Flex-A-Bed Hi-Low Model

The ideal bed for those in home healthcare, or assisted living environments, the Hi-Low can be raised and lowered vertically with a touch of a button — making the Hi-Low model ideal for customers who require additional assistance when entering or exiting the bed.

Close your eyes and envision what it's like to spend the entire day feeling refreshed, energized and relaxed.

If you need relief from the symptoms of injury, chronic pain or illness, there's nothing more refreshing than an adjustable bed. You can raise or lower your head and feet to find your favorite position with our whisper quiet dual motor technology by Linak®

*Relaxation has never been so effortless.*

Every Hi-Low model comes with

- a five-year limited warranty.
- your choice of one-touch wireless or wired remote.
- whisper-quiet Linak® motors with optional, dual timed massage.
- a 4 inch foundation profile, high-density, heavy duty padded base made with Advantech® material that will not warp, break or squeak.
- a Premier mattress featuring a beautiful knit fabric quilt panel with a tack and jump pattern and a suede border with designer taped edges. It is thicker and more luxurious than ever before. Choose from soft, medium or firm construction.

Mattresses are also available in low profile, memory foam\*, gel memory foam\*, latex\* or combination innerspring/memory foam\*.

*\*Additional charges apply.*

- a mattress retainer cover for the foot of the bed.
- locking casters.
- optional side rails and protective covers.
- the ability to be paired with a Flex-A-Bed Premier or Value-Flex — perfect for a spouse.

The Hi-Low model is available in twin, full, queen, and dual king in 74, 80 and 84 inch lengths.

A Flex-A-Bed adjustable bed should not be considered an alternative to a hospital bed. A physician should be consulted when health issues are involved as to the appropriateness of an adjustable bed.

## How the Hi-Low Model Works

### 1 Ease onto bed with both feet on the floor.

The height of the Hi-Low model comes standard at 26 inches. For customers requiring a lower height, the casters can be removed to make the bed 24 inches high. Our optional low profile mattress further reduces the minimum height to 21 inches with or 19 inches without casters.

### 2 Raise the bed vertically with a touch of a button.

A standard hi-low model can be raised with the hand control to a height of 33 inches. When the casters are removed, the bed can be adjusted to 31 inches.

### 3 Find your favorite position.

Raise or lower your head and feet with our whisper quiet dual motor technology and activate the optional dual timed massage featuring wave and pulse technology at your back and legs. Relax and enjoy.

## Flex-A-Bed Value-Flex

The Value-Flex is our most affordable adjustable bed.

This entry-level adjustable bed is perfect for those living on a fixed income.

Forget the caffeine. Instead, wake up naturally from a deep, restful sleep. No sore muscles. No lingering sleepiness. Just the pleasure of being alert and ready to take on the day.

With the energy that comes from a great night's sleep, the day is yours. Play a round of golf or ride around on your bike — maybe even take a leisurely stroll around the block. Do whatever you like.

Because every Flex-A-Bed is hand-crafted using the highest-quality materials available, it supports the mattress — and you — perfectly. If you've been dreaming about discovering this kind of comfort in a bed, consider the Value-Flex adjustable bed.

*You'll be amazed at how energized you feel all day long.*

Every Value-Flex comes with

- a five-year limited warranty.
- one-touch wired remote.
- whisper quiet Linak® motor technology.
- a 4 inch foundation profile, high-density, heavy duty padded base made with Advantech® material that will not warp, break or squeak.
- an innerspring mattress in your choice of soft, medium or firm construction.
- locking casters.
- the ability to attach to existing headboards.

The Value-Flex comes standard in twin, full, queen, dual queen, and dual king in 74, 80 and 84 inch lengths.

The height of the Flex-A-Bed Value-Flex comes standard at 23 inches and can be lowered to 21 inches by removing the casters. The height of the bed can also be raised in 1 inch increments from 2 to 7 inches with optional leg extensions.

## Flex-A-Bed Model Comparison

Flex-A-Bed sets the standard for comfort, convenience and custom features in an adjustable bed. Every bed we make is backed by an industry-leading warranty so Flex-A-Bed owners will enjoy years of comfort and better sleep.

Regardless of the model, every Flex-A-Bed is hand built in the USA by expert craftsmen to your size and height specifications using the same principles of care and consideration that we have built our reputation on since 1969.

## Mattress Options

Our Premier mattress features a beautiful knit fabric quilt panel with a suede border and designer taped edges. The plush, multi-layered, quilted cushion-tops are made with hi-density, super-soft polyurethane foam and flame-resistant polyester fiber, while the bottom layers are protected by a non-skid material that prevents the mattress from sliding across the adjustable foundation and provides a flame-resistant barrier. Our gel-foam mattresses feature smooth-top zipper covers to keep you as close to the cooling gel as possible. Our mattresses are thicker and more luxurious than ever before.

Select from 14 different mattress sizes, as well as six construction options:

### Innerspring

Our traditional innerspring mattresses are available in soft, medium and firm.

Every Innerspring mattress features

- a high-density comfort-layer constructed of a polyurethane foam pad.
- an innerspring unit that is innerbonded to insure durability, superb tailoring, maximum support and comfort.

### Gel Memory Foam\*

Our gel-infused memory foam creates a cooler sleeping surface for a refreshing, rejuvenating sleep.

Every gel memory foam mattress features

- 100% gel-infused foam to wick heat away from your body and eliminate surface hot spots.
- a consistently cooler sleep surface temperature.

### Innerspring/Memory Foam Combo\*

We combine the traditional support of innerspring with the luxury of memory foam.

Every innerspring/memory foam combo mattress features

- a visco memory foam comfort layer.
- an innerspring unit that is innerbonded to insure durability, superb tailoring, maximum support and comfort.

### Latex\*

Our natural latex provides the soft feel and dynamic support of a luxurious, custom-molded mattress.

Every latex mattress features

- a natural rubber latex comfort layer.
- a polyurethane foam core.

The latex is laminated to the polyurethane foam to create a solid core.

### Memory Foam\*

“Melt” into a memory foam mattress that cradles every curve and pressure point on your body.

Every memory foam mattress features

- a visco memory foam comfort layer.
- a polyurethane foam core.

The visco is laminated to the polyurethane foam to create a solid core.

### Low Profile\*

Our low profile mattress reduces overall bed height by 6 inches.

Every low profile mattress features

- a high density polyurethane foam core.

\* Only available with Premier and Hi-Low models.

## Custom Accessories

Some customers prefer their Flex-A-Bed a little higher off the floor. Others ask for an easier way to change the sheets. Whatever your needs or requests, Flex-A-Bed can most likely accommodate them. That's because we make every bed by hand in our LaFayette, Georgia factory. So not only do you get excellent craftsmanship, you have a partner who can add just the right accessory or specification to satisfy your request.

### Side Rails

Side rails are not designed to support you while getting in and out of bed, but to provide added security while you sleep. They fold away when not in use.

Each bed can accommodate up to four side rails. The Premier must be ordered with a 4 inch foundation profile to be used with side rails.

### Side Rail Covers

These cushion the rails and feature a large pocket for conveniently storing your bed controller, eyeglasses, magazines, and more.

### Lower Bed Heights

When needed, you can lower the height of any Flex-A-Bed model 2 inches by removing the casters.

### Leg Extensions

To set a custom bed height that matches the height of your existing bedroom furniture, leg extensions can be added to adjust the top of the mattress from the floor. The height of the bed can be raised in

1 inch increments from 2 to 7 inches.

*Leg extensions can not be used on the Hi-Low model.*

### Swingaway Brackets

Swingaway brackets create a hinge between our headboard bracket and your headboard for easier cleaning and changing of sheets on a dual queen or dual king bed.

*Brackets cannot be used with the Hi-Low model.*

### Custom Fitted Sheets

Luxurious, white, poly/cotton fitted sheets designed exclusively to fit our mattresses. These sheets also fit most other manufacturers' beds as well.

## Every bed we make is backed by an Industry-Leading Warranty

Because Flex-A-Bed builds every bed by hand, we stand behind our product with a great warranty. This warranty covers the entire bed — each and every component and design feature (even the mattress!), without exception.

Best of all, our warranty is even transferable. It's not limited to the person who purchases the bed. So if you sell or give the bed to someone else, it remains under warranty.

In the unlikely event you ever have a problem with your Flex-A-Bed, simply call our factory service center at 800-648-1256 and we'll take it from there.

- Flex-A-Beds come with
- a lifetime, limited warranty on Premier beds.
  - a five year, limited warranty on Hi-Low and Value-Flex beds.

Visit our website to download warranty information or call us at 800-648-1256 to request a copy of either warranty card.
