

- Adjustable base solution for today's senior customers.
 - The base style and design erases the image of the hospital bed, replacing it with a more modern appeal.
 - Provides full adjustability with added features that swing the mattress to the side for upright seating and assisted chair lift allowing an easy way to get out of bed.
 - Includes memory foam mattress
 - Steel post leg supports
 - Hard-wired remote
 - Side arms (optional)
 - Battery back-up function
- Available in Twin XL

The only bed that helps you **SLEEP, SIT and STAND**
